**Permit Rules & Regulations**  
**2014**

Updated April 09, 2014

**Permit stickers are no longer available at the Town Hall, Clerk's office, 11 South Street, Westminster. Before the season, they are available by mail, or at the Pond daily between 10am-2pm.**

**I. To obtain a Crocker Pond permit sticker you must:**

1. Be a resident of the Town of Westminster with a verifiable address per the Westminster Town Census
  - AND 2. Present a valid license and vehicle registration for each vehicle indicating Westminster address
- Any special circumstances may be addressed to the Crocker Pond Recreation Area Committee.

Two permits allowed per household with valid registration for each vehicle; registered owner must present registration to obtain permit. The permit is valid from Memorial Day weekend through Labor Day of the current year, unless extended further at the discretion of the Crocker Pond Recreation Area committee.

**The permit sticker with matching license plate number should be affixed to the vehicle inside windshield lower left driver's side so as to be visible to staff upon arrival at the Crocker Pond Recreational area.**

**II. Daily Guest Pass:**

The guest pass may be obtained at Crocker Pond. The permitted resident must accompany their guest into the facility. Guest passes must be stamped and displayed on the dashboard in plain view in both the resident and guest vehicles. Vehicles with no sticker or guest pass are subject to fines and/or towing at vehicle owners expense. Please be aware the permitted resident is ultimately responsible for their guest's conduct, including notifying their guest of the rules and regulations of Crocker Pond. Guests must leave when the permitted resident leaves.

**III. Replacement Permits**

Replacement permits will be issued upon reasonable proof loss/theft of a permit, or if the vehicle is sold and plates transferred to a new vehicle.

Replacement is free, provided a portion of the original permit showing the number is presented at the time of the replacement request.

**IV. Misuse of Permits**

At all times, the permit shall remain the property of the Town of Westminster. The person to whom the permit has been issued has been given a use privilege, not the permit, and agrees that the permit (privilege) may be revoked if misused. The permit holder agrees that the Town of Westminster, through the Crocker Pond Recreation Area Committee, will be the final judge as to whether a permit has been misused. The following shall be considered misuse:

1. Permit registration number does not match the registration number of the vehicle to which it is affixed.
2. Permit is not permanently attached to the vehicle (Except with written permission of the CPRAC).
3. Permit has been altered, defaced, copied or made unreadable.
4. Violation of the Crocker Pond Recreation Area Rules and Regulations.
5. No longer a Town resident.

**V. Penalties and Revocation of Permit**

1. The Crocker Pond Recreation Area Committee may revoke the Crocker Pond permit for misuse.
2. Persons whose permitted privilege has been revoked may appeal the revocation in writing to the Town of Westminster, via the Crocker Pond Recreation Area Committee.
